SUMMARY

Junior Software Developer with hands-on experience in building web applications using React, Vue.js, and Node.js. Passionate about writing clean code, solving real-world problems, and contributing to agile teams. Open to entry-level roles in full-stack or frontend development. Excited to contribute to a team where I can learn, grow, and help build impactful web applications.

TECHNICAL SKILLS

- **Languages:** Java, Python, C, C#, PHP, JavaScript
- **Frontend:** HTML, CSS, React, Vue.js, Svelte
- **Backend:** Node.js, Express, ASP.NET Core, Laravel
- **Database:** MySQL, MongoDB
- **Tools:** Git, Azure DevOps, Postman, WordPress, VS Code, Microsoft Tools

WORK EXPERIENCE

Software Engineer Intern, Elinnov Technologies

Oct 2024 - Feb 2025

- Developed front-end features and worked closely with the team on implementation.
- Participated in Agile Scrum meetings, contributing to feature discussions and planning.
- Assisted in QA testing, identifying bugs, and ensuring software quality.
- Documented system functionalities and API endpoints for future reference.

EDUCATION

Bachelor of Science in Information Technology

Cebu Institute of Technology - University

Completed coursework through 3rd year **(2021–2024)**

PROJECTS

Knowledge Base Tool (Internal Project – Elinnov Technologies)

React, ASP.NET Core, MongoDB

Built a responsive internal tool with API integration, role-based access, and search functionality. Reduced resource lookup time by 30%.

Task Manager

Vue.js, Node.js, Laravel, MySQL

Created a full-stack task app with login, role-based filtering, and intuitive UI. Integrated backend via REST APIs for smooth data sync.

SOFT SKILLS

- **Adaptability** – Learned and used multiple frameworks (React, Vue, ASP.NET, etc.)
- **Willingness to Learn** – Quick to pick up new tools and technologies
- **Problem-solving** – Tackled bugs, implemented features from scratch
- **Communication** – Collaborated in Agile meetings, helped document APIs
- **Attention to Detail** – QA testing, API documentation, UI design
